HEBRIDEAN FIRE

Award winning Scottish singer/songwriter Elsa Jean McTaggart and her husband Gary from the Isle of Lewis, both multi-instrumentalists, take you on an eclectic musical journey through the islands of Scotland, past and present. From soulful laments to high energy, beautifully arranged sets of jigs and reels, and traditional and original songs with plenty of laughter, joy and warmth.

McTaggart's playing is a spectacle in itself - she is fast, playful and knows how to rock a folk tune. [Edinburgh Fringe]

More Whashton News

Recently a number of residents tackled Bobby's Bank on the entrance to Whashton, which needed a clear out at the end of the growing season. With due care for the flowers and shrubs planted on the bank, after three hours of work, we feel it looks a lot better. Sally, Tad, John and Ian were joined by Jake Lawson who worked miracles with his brush cutter, without which we could not have achieved the end result. The attached photograph shows the hard work in progress, with Ian on camera.
